

**TO: Dr. William Stokes, Director, NICEATM,  
(MD EC-17), NIEHS**

**FAX: 919 541 0947**

**FROM: Joan Mutcher**

**DATE: November 8, 2001**

**Dear Dr. Stokes:**

**I implore you to immediately begin efforts to completely replace lethal dose testing with non-animal, in vitro testing methods.**

**It is appalling to learn that members of the human race have conducted these sadistic LD50s on these poor sentient creatures.**

**Thank you.**
